

DARNHALL NEIGHBOURHOOD PLAN COMMUNITY CONSULTATION

Dear Resident and/or Neighbour,

Filling in this questionnaire is your chance to help to influence future development in the Parish of Darnhall to 2030. The Neighbourhood Plan Steering Group needs everyone with an interest in the Parish area to answer the questions in this consultation. This includes if you have a home, business, land or those who are regularly in Darnhall to visit or work. This is to inform the development of the policies that are being considered to help to manage development that may be proposed, and thus reflect the views of the community.

The Plan will eventually, following two formal consultation exercises and consideration by an independent examiner, be the subject of a referendum to establish its status. More than 50% of those who vote in the referendum must support the Neighbourhood Plan for it to be 'Made' and become part of the statutory planning decision making process.

In this questionnaire you are asked to say whether you agree or disagree with the aims that have been suggested. These aims have been based on the views of the local community, gathered through previous consultations. There are spaces after questions for additional comments that may be relevant.

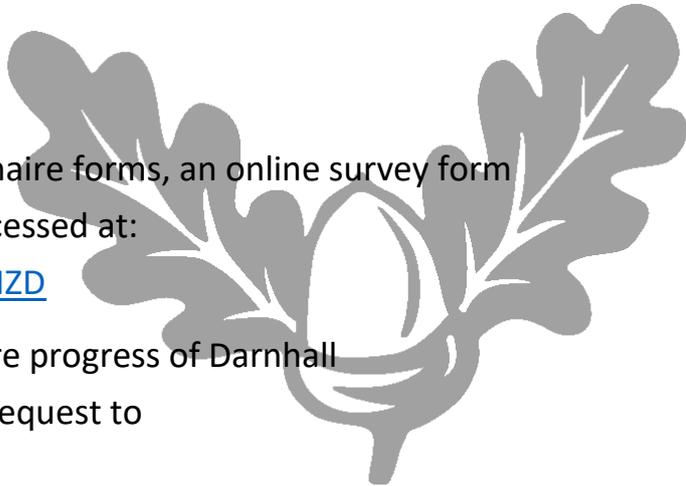

One copy of the questionnaire has been delivered to each household in the Parish, but all residents, including younger people, are invited to complete a copy if they wish. Further copies may be downloaded and printed out from:

<http://www.darnhallparish.co.uk/neighbourhood-plan.html>

... or phone Gilly on 01606 554272 and further copies can be delivered to you.

This process is anonymous so that you can feel free to put forward your views. Pre-paid envelopes are available to facilitate the return of completed questionnaires.
