It is with sadness that we record the death of John Hignett, a great family man, gardener, countryman and active supporter of the Darnhall community. John was for many years a Parish Councillor, he will be greatly missed. Our sympathy goes to his wife Ann, and the rest of his family.

Darnhall Bridge Works

Preventative and survey work has been ongoing on Darnhall Bridge for the last 3 years. The main scheme to make permanent repairs to the Grade 2 listed structure is planned to start in February 2022 and will require the road to be closed for many months.

An information event will take place at the Village Hall on Tuesday January 11th 7pm – 8.30 pm, attended by Paul Tudor, Bridge manager for Cheshire West and Chester.

This is your opportunity to hear about the plans for these major works to the Bridge.
